It will be observed from the statement on page 4 ^{infra} that a higher ^{rate of} pay than the minimum is proposed in all cases. The intention apparently is to fill up the posts by selecting officers & servants drawing the rates of pay proposed. A restriction as in para. 2 of govt. 1159-Wd. 15.11.23 may perhaps be imposed viz, that higher rates of pay should not be utilised to give increase of pay to any officers or menial servants.

Vide Slip 7

As regards the supervisors, two supervisors on the minimum rate of pay of Rs. 80 p.m. may be sanctioned ~~xxxx~~ in place of the two supervisors from the upper subordinate establishment who have been posted.

It will also be seen ^{from the stat} that in the case of clerks an aggregate amount of Rs 85 is proposed. Apparently one on Rs 45 & another on Rs 40 may be sanctioned.
